THE ACCIDENT TO MR. COOT.

Mr. Coot's ship, the "Coot," on the night of the accident, when it was struck by a large iceberg.

Mr. Coot, who was on board the ship, was the only person who survived the accident. The ship was carrying a large cargo of goods, and the loss was a great one. The ship was found by a passing vessel, and the cargo was salvaged. Mr. Coot was rescued and taken to a hospital, where he was treated for his injuries. He was discharged after a few days and returned home.

The accident was a great loss to the shipping company, and the ship was never again used. The company was forced to pay a large sum of money to the cargo owners. The accident was a warning to the shipping company to be more careful in the future. The company was forced to pay a large sum of money to the cargo owners.

LONG-DISTANCE BALLOON RACE FROM BURLINGTON.

The race was held on the 15th of the month, and was a great success. The balloon was launched at 10 o'clock, and it flew for many hours. It was seen by a large number of people, and it was a great sight. The race was won by Mr. Coot, who was on board the ship. He was the only person who survived the accident.

THE SEVEN MEETINGS

The first meeting was held at the home of Mr. J. H. Smith, 1234 Main St., on Monday evening, Oct. 10, 1910. The meeting was held in the parlour, and was attended by about twenty persons. The first business was the reading of the constitution and the election of officers. The following officers were elected: President, J. H. Smith; Vice-President, W. H. Jones; Secretary, M. L. Brown; Treasurer, R. D. White; and the following were elected members: A. B. Black, C. D. Green, E. F. Hall, G. H. King, I. J. Lee, K. L. Martin, L. M. Nelson, N. O. Phillips, O. P. Quinn, P. R. Reed, Q. S. Taylor, R. T. Vance, S. U. Ward, T. V. Young.

The second meeting was held at the home of Mr. J. H. Smith, 1234 Main St., on Wednesday evening, Oct. 12, 1910. The meeting was held in the parlour, and was attended by about twenty persons. The first business was the reading of the minutes of the first meeting, and the election of a committee to prepare a report on the work of the club during the year.

The third meeting was held at the home of Mr. J. H. Smith, 1234 Main St., on Friday evening, Oct. 14, 1910. The meeting was held in the parlour, and was attended by about twenty persons. The first business was the reading of the minutes of the second meeting, and the election of a committee to prepare a report on the work of the club during the year.

The fourth meeting was held at the home of Mr. J. H. Smith, 1234 Main St., on Sunday evening, Oct. 16, 1910. The meeting was held in the parlour, and was attended by about twenty persons. The first business was the reading of the minutes of the third meeting, and the election of a committee to prepare a report on the work of the club during the year.

The fifth meeting was held at the home of Mr. J. H. Smith, 1234 Main St., on Tuesday evening, Oct. 18, 1910. The meeting was held in the parlour, and was attended by about twenty persons. The first business was the reading of the minutes of the fourth meeting, and the election of a committee to prepare a report on the work of the club during the year.

THE GREAT SECTION NO. 1

AIRSHIP NEWS.

The USS Shenandoah, the first rigid airship, is shown in flight. The group of people is standing on the deck of the ship.

The first rigid airship, the USS Shenandoah, was launched in 1923. It was the first of a new class of rigid airships, which were designed to be used for long-range flights. The Shenandoah was built by the Goodyear Aircraft Company and was the first of a new class of rigid airships, which were designed to be used for long-range flights. The Shenandoah was built by the Goodyear Aircraft Company and was the first of a new class of rigid airships, which were designed to be used for long-range flights.
